

JOIN US FOR 2019 Tee Up for Teaching!

Tee Up for Teaching is part of Texas Scottish Rite Hospital for Children's Learn to Golf program and provides golf and allied health care professionals with methods for teaching golf to Scottish Rite Hospital patients with physical challenges.

The seminar is designed to provide information on adapted golf equipment, therapeutic benefits of golf and accessibility. Teaching methods learned at the seminar also may be applied to adults with physical challenges.

We hope you will join us to learn more about helping junior golfers with disabilities realize their potential on the course and around the greens.

DATE: Monday, February 25
